

The floor plan shows a 2nd floor with a total area of 1840.1 sq. ft. The layout includes a large open area on the right, a central staircase, and several smaller rooms. On the left side, there is a bathroom with a toilet and a sink, and another bathroom with a toilet and a sink. A kitchen area is located in the lower right, featuring a sink and a stove. A large rectangular area in the center is likely a pool or a large room. The plan also shows various doors, windows, and structural elements like columns and beams.
